

SCAPE SADDLE POCKET BAG ATTACHMENT INSTRUCTIONS

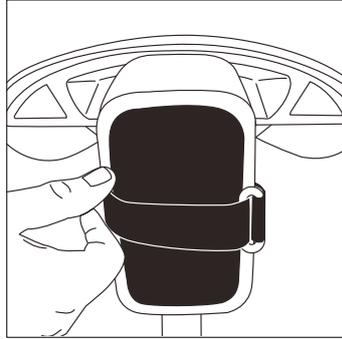

1. Pass the velcro through the saddle rail.

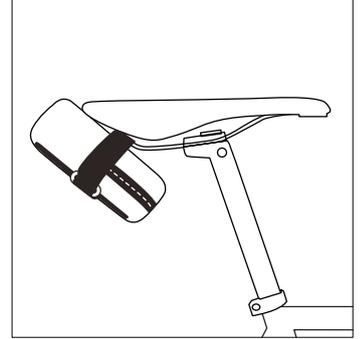

2. Pass the Velcro strap through the metal loop.

3. Pull and tighten snugly, securing the velcro.

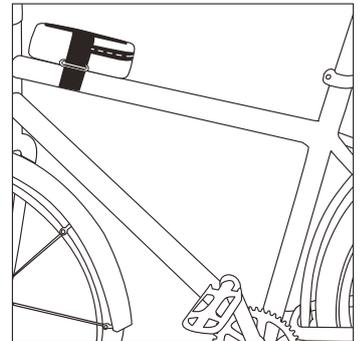

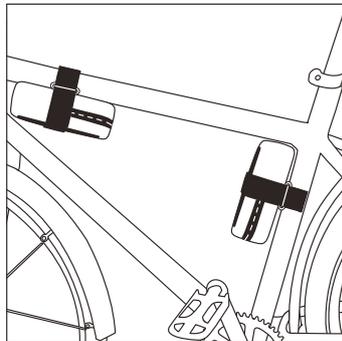

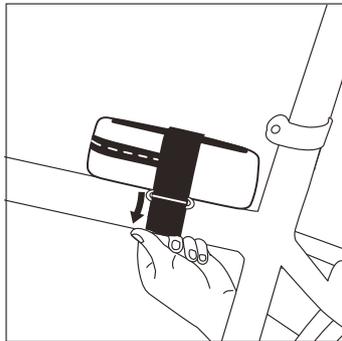

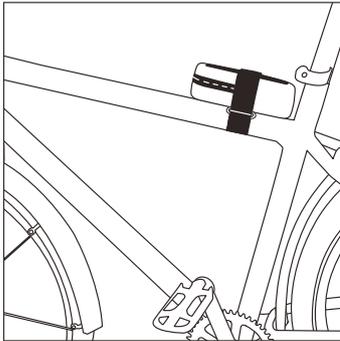

4. The pack is now securely in place.

ALTERNATIVE FRAME OPTIONS

This bag can be mounted to numerous locations to keep essentials where you need them.

HYPALON ATTACHMENT

The SCAPE saddle pocket bag can also be mounted to other bags within the range, offering even more flexibility and storage space.
